PVAMU NAA 2012 Moving Forward

Dear Fellow Alumni and Friends:

While visiting a potential hotel sites for the 2013 Convention in Atlanta, I was asked the question "How many of your 50,000+ alumni are active?" This came from someone who had worked as a student in alumni relations at a SEC Conference University. The question was followed up by the comment, "I know all schools struggle with getting alumni active." My response was, "At least 10% of our alumni are active".

Prairie View A&M University National Alumni Association Annual dues are only \$60 which equates to \$5.00 per / month. I have a question for Prairie View alumni, "Why are

we not at 100% financial?" I know 100% is a prestigious goal. The mission of PVAMU NAA is to help perpetuate our University through providing scholarships for students. Your participation, would present a stronger united voice for our alma mater.

If you are already a financial member, I want to thank you for your support. Becoming a member is the first step in supporting our "Dear Prairie View". I would like to challenge all New 2011 Members to attend the 2012 Convention. During the Convention you will have the opportunity to learn more about the NAA; meet with university officials; and determine how you can become more involved. For those of you who will be attending for the first time, we are Prairie View Alumni, during the Convention we conduct business and we "Network with a Purpose." My platform 3 M's, Membership, Mentorship and Management has enhanced our organization through strategic planning. The 2011-2012 fiscal year focus has been Membership. Prairie View is a state

supported university and has been affected by the current economic climate of budget cuts. Our challenge, as alumni is to help subsidize the deficit. If you are not financial, now is the time to become an Annual Member. The NAA set an unprecedented Life Membership growth during the first four months of this fiscal year with over 300 new members. Let's exceed expectations, breaking the Fall 2011 record. "Can I count on you to commit to the PVAMU NAA in 2012?" Show your Panther Pride by joining today, visit our website at www.pvualumni.org. I am looking forward to meeting all the new alumni members during Convention this summer in Fort Worth, Texas.
