PVAMU NAA 2012 Moving Forward

Dear Fellow Alumni and Friends:

I pray that you had a very Merry Christmas and are enjoying a Happy New Year. As President of your National Alumni Association (NAA) I would like to thank all those alumni who have become financial, Annual or Life Membership. The new members will add to the current base of Annual and Life Members to help ensure that NAA continues to meet its mission of perpetuating our University by giving back of our time, talents, and treasures to future alumni. The New Year brings new opportunities for each of us to become more involved with the support of our Alma Mater. If you are not involved in a student Mentorship program on

any level, please get involved. Future and current Prairie View students need your support and time.

In December, I attended the first NAA chapters' sponsorship of a "Conversation with the Prairie View A&M Foundation (PVAMF)". The meeting was sponsored by the Houston, Johnson Space Center and PV Nurses Chapters. The Foundation's President, Roy Perry and several trustees provided information regarding the Stadium project.

The NAA and PVAMF leadership has met with the University officials to discuss the loss of several degrees and how to prevent any additional loss of programs. I am concerned about all degree plans being offered by our Alma Mater. Our plan going forward is to assure University Day at the 2012 Convention will provide attendees with status of all of our programs. Our increased NAA Membership will also increase our support of Scholarships. One of my

goals for the NAA is to be able to offer full scholarships, if necessary for those programs which may be at risk. We have too many "Traditionally Bypassed" individuals that have the capability to perform but lack the financial support walking the streets to be losing programs due to low graduation rate. This month we are hosting another Membership event in the Houston area, Foundation Room at the House of Blues with the TSU NAA. We are building strong relationships with other State supported HBCU's. In addition, I will be in visiting the Atlanta Metro Chapter. The Fort Worth Chapter team is working hard to have the Convention package finalized by the February Board meeting. Once again welcome to 2012.

Lynn Morris
